

In re Appln. Of: Leon Leclercq  
Application No.: 10/591,030

*REMARKS*

The Office Action dated January 25, 2008 has been carefully considered. As noted, claims 1-20 would be allowable if rewritten or amended to overcome the § 112 rejection. By way of this amendment, Applicant has amended the occurrence of the "first zone" and the "second zone" to the "first zones" and the "second zones," respectively. Accordingly, this attends to the antecedent basis and makes clear what was inherent in the claims as originally presented. Because this minor correction has been attended to, Applicant respectfully requests a Notice of Allowance be forthcoming from the U.S. Patent and Trademark Office.

*Conclusion*

The application is considered in good and proper form for allowance, and the Examiner is respectfully requested to pass this application to issue. If, in the opinion of the Examiner, a telephone conference would expedite the prosecution of the subject application, the Examiner is invited to call the undersigned attorney.

*Extension of Time and Fee Deficiency*

Applicants believe that no extension of time is required. However, this conditional petition is being made to provide for the possibility that Applicants have inadvertently overlooked the need for a petition and fee for extension of time. If any additional fee is required, or any overpayment is made, in connection with this communication please charge or credit deposit account No. 50-3505.

Respectfully submitted,

/Andrew J. Heinisch/
